DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

This communication is responsive to the Notice of the Board of Appeals, dated 12/2/09, which noted that an English translation of the foreign language reference was missing from the file. The English translation has been made of record, and a copy of the translation is attached to this communication. It is noted that the full translation of this reference does not alter how this reference has been applied, and just confirms the accuracy of the English abstract which (along with the figures) were relied upon in the rejection.
